DEATH OF WILLIAM M'MILLAN FORMER TREASURER OF NEVADA

William McMillan, former state treasurer and one time republican candidate for governor of Nevada died Saturday night at a little mountain, while making the trip from Austin to Reno where he had expected to secure medical treatment for a nervous breakdown. He was 62 years old. He was accompanied by his wife and other relatives at the time of his death.

Going into Virginia City in the early 70's, before the big fire, McMillan engaged in mining until his election to his first political office as a member of the Nevada state assembly. He distinguished himself in the legislature as a staunch labor supporter and in this connection even today pictures of McMillan are hanging in the headquarters of the famous old Virginia City Miners' union. Upon his retirement from the state office he was elected county recorder of Storey county.

After following private pursuits, particularly as a member of the Virginia City grocery firm of Crosby & McMillan, he ran for governor in a three-cornered fight against Rehn-

hold, Sadler and James McCullough, learning his defeat only after the supreme court had decided his minority by approximately 30 votes.

He became associated with the Farmers' National Bank later, and opened the Sparks bank, after which he became United States inspector for the land office. In 1911 he was elected state treasurer, which office he held until his defeat by Ed Malley three years ago. His last endeavors were with the Bank of Austin, where he worked diligently even after his health broke and until his death.

His activities among fraternal organizations gave him greatest prominence as grand master of the Nevada Masons. The funeral occurs tomorrow afternoon under Masonic auspices.

Surviving Mr. McMillan are a wife, Mrs. Anna Belle Fraser McMillan, and three children, Stewart McMillan, Mrs. Margaret Ede and Belle McMillan. Mrs. Ede is the widow of Lieutenant Ede, killed in the submarine disaster off Honolulu over two years ago.

RAISED BILL FOUND AT FIRST NATIONAL

Natien Babich was arrested this morning at the First National Bank while making a deposit of \$300. The deposit consisted of \$150 in gold and \$150 in currency including a one-dollar bill which had been raised to an apparent face value of \$50. The work was done very clumsily by pasting the engraved portion of a counterfeit bill over the corners. Babich pleaded innocence and referred the officers to the bank at Lowell, Arizona, where he said he kept his regular account. An inquiry proved the truth of this statement as a reply was received saying there was a balance to his credit. It is believed that Babich is the victim of some shrewd sharper. John Vujovich, of Tonopah, vouched for Babich, with whom he said he was in partnership in Lowell, Ariz., and knew him as a man of good character and steady habits.

L. O. RAY, pioneer of Tonopah, came in from Manhattan last evening.

KLINGERS BUY RYAN & STENSON

One of the time honored institutions of Tonopah passed into history this morning when the firm of Ryan & Stenson retired and their store was taken over by Mr. and Mrs. J. Klinger, formerly managers of Hunt's Hygrade Tonopah store. The new managers have had considerable experience both here and in Goldfield and are regarded as arbiters of fashion. The store will be known under the name of The Klingers' and a point will be made to handle the most reliable goods with a desire to secure for customers whatever they may need which cannot be found in the local store. Mr. and Mrs. Klinger are well acquainted with the trade and may be relied upon to cater to the wants of customers.

BOARD OF EQUALIZATION IS IN SESSION HERE

The county board of equalization is in session at the courthouse with two members present as the law only requires the presence of a majority. Wonderful Soda-- That's what they all say

—and why wouldn't they say it? It certainly is the most wonderful soda we have ever seen, and probably the very best soda that can be produced today. That is the reason. First, purity of ingredients, then careful manipulation, then a sanitary fountain and the cleanest and neatest service. That's what makes it good. That should appeal to you, and induce you to meet and treat at our fountain, now and for the balance of the summer. Any flavor you want! All the old-timers, and the newest ones.
